

Important Notes about attending a Zoom Worship, Sundays at 9:30 a.m.

Zoom is a video conferencing service that helps connect people using their computer, iPad, or smart phone and an internet connection. If you already know about Zoom you can skip ahead to the link.

- When you log into Zoom and join the meeting by laptop, iPad, or smart phone, you can be seen by others immediately unless you turn off your device's camera or turn off the camera icon on Zoom.
- It is helpful if you can keep your 'device' in one place for the duration of Worship. It will help minimize distortion.
- If you have a computer, iPad or smartphone and you have had difficulty joining, email the Communications & Marketing Committee: CMC@TheSomersChurch.org and someone from the CMC will try to schedule a 'practice Zoom' to talk you through it before Sunday.
- To help us allow as many people to join as possible, kindly only connect with one device per household and gather around. Phone calls to listen in also count as one device.
- Rev Deborah is accepting prayer requests. Kindly send your prayer request by this Saturday evening: revdeborah@thesomerschurch.org

How to join the Zoom Worship Service:

1. Using your computer, iPad, or Smartphone...click on or type this into your web browser

<https://us02web.zoom.us/j/3670304830>

Meeting ID#: 367 030 4830

2. Follow the instructions on the Zoom page to connect to the meeting.

3. If you have speakers on your computer, you can simply listen in to the worship service and you will see others attending on your screen. Depending on what type of device you are using, there are different limitations as to how many people you can see at the same time.

What if you do not have a computer, iPad, or so called, Smart Phone?

You can still listen into the Zoom Worship BUT the phone number that we are given is a long distance number. You can usually dial a long distance number from a cell phone at no extra charge but if you dial it from your land line/home phone and you don't have a "long distance calling plan" included in your monthly bill, then this will be a long distance call for you. Please check with your phone company/ carrier if you are unsure of whether or not long distance calls are included in your monthly bill. If they are not, this can be an unexpected and surprisingly high expense.

To use your telephone to listen into the Zoom Worship

1. Dial: 1 -646-558-8656

2. You will hear an automated voice say "Welcome to Zoom. Enter your meeting I.D. followed by pound." Dial this: 367 030 4830 #

3. Listen carefully – you may be prompted to press # again. And that's it. You're listening in on a Zoom Worship!
